Dear Jim,

3/12/77

I have a little more on the nasty rumors about you.

They reached Memphis three weekends ago, with a person who had heard Mary Ferrell and someone from Washington who was with her talking about them, I gather Wash to Mary.

It was not Lane, not OPR, Nor Ford

I gather the person who told the story in Memphis (where he also spoke to Bob but I do not know whether or not about this) also is from Washington and was in Memphis on the way back.

Yes, a "critic."

I could not learn more. I was told I was given the clues and I've gone over what I was told without finding what limits much.

I can see what can be clues but I do not have any way of deciding which of a number of persons it might be.

I guess the easiest way is to learn what critics from Washington were in Dallas.

You may have a way.

Hastily,
